

UCAN: ADVISE THE ADVISOR SERIES

- What happens when a student needs to pray but the time conflicts with a course?
- When a student observes Sabbath but is scheduled to write an exam on a Saturday, is the U of C obligated to accommodate the student with a deferred exam?
- A student states that for religious reasons, they cannot incur interest on fees that are overdue. Are we mandated to waive their interest fees?
- How can/should we support students that are fasting for religious purposes?
- Loss of a loved one impacts students of course but are there certain things I should know based on a student's faith that may immediately impact their studies otherwise?
