

ADVISE THE ADVISOR SERIES:

Rediscovering Campus Part 1: Tour of the Energy Environment Experiential Learning Building (EEEL)

**Thursday July 17th, 2014
Meet at main doors of EEEL Building (750 Campus Dr.)
12:05 pm – 12:50 pm**

Did you know that the EEEL building is one of only 29 buildings across Canada to achieve the highest certification for Leadership in Energy and Environmental Design (LEED)? Join one of our campus sustainability experts for a tour of this building's major sustainability design features, as well as see where the new Undergraduate Science Advising Centre is located.

Rediscovering Campus Part 2: Tour of the Human Performance Lab and the Cenovus Spo'pi Solar House

**Wednesday July 30th, 2014
Meet at Kinesiology Atrium (KN B)
12:05 pm – 12:50 pm**

Join Dr. Ed Nowicki from the Department of Electrical and Computer Engineering for a tour of the Cenovus Spo'pi Solar House and learn all about the design and research features of this 93 square-metre dome.

Also on this tour we will venture to the internationally recognized Human Performance Lab for a behind the scenes look at one of the world's largest and best equipped research facilities for musculo-skeletal research.

To reserve your spot, please rsvp with the tour(s) you would like to join to ucanteam@ucalgary.ca by **Tuesday July 15th, 2014**
